<sup>\*</sup>The required funding figures under the UNSFA are derived from UN programming for the given period and do not represent overall sectoral needs. The funding figures reflect UN funds available during the respective budget cycle, including carry over from the previous year. All response figures are self-reported by UNAFPs for the period between Jan-Jun 2025 on uninfo.org.

## **HUMANITARIAN AND BASIC HUMAN NEEDS RESPONSE**

2025 Factsheet Jan-Jun 2025

## PROTECTION: MINE ACTION

# of people vulnerable people receiving Explosive Ordnance and Risk Education (EORE)

469K 164K

# of people having access to emergency gender and disability-sensitive sanitation facilities.

3 5M

WATER SANITATION AND HYGIENE (WASH)

# of individuals accessing sufficient quantity of safe water for drinking, cooking and personal hygiene.

4.9M 1.2M

# of people reached with essential WASH non-food items (NFIs)

1.7N

## UNITED NATIONS STRATEGIC FRAMEWORK FOR AFGHANISTAN (UNSFA) ACHIEVEMENTS JAN-JUN 20251

Outcome1: Sustained Essential Services in key sectors such as health, nutrition, education, employment, water, sanitation, hygiene, social protection, and protection that are accessible to all, affordable, and can be delivered free from all forms of discrimination.

INDICATOR % RFACH INDICATOR TARGET TARGET % REACH

26.2 million people accessing health care services with UN support.

439,176 people reached with at least basic water that is safe and available with UN support.

478,952 UN supported maternal deliveries.

285,873 individuals trained in Explosive Ordinance and Risk Education (EORE) with UN support.

935K

3,032 health facilities (i) constructed, rehabilitated, equipped and (ii) facilities functional with UN support.

**2.5 million** people benefiting from short-term employment and improved livelihoods through cash-based interventions with UN support

29,256 teachers trained with UN support, including inclusive, gender sensitive and innovative pedagogies, digital technologies, remote and blended teaching and learning, training on subjects and in-service teacher training

**545,360** people enrolled in and/or accessing informal education and/or non-formal education services and training with UN support.

% REACH

27%

response services with UN support. 1.1 million children enrolled in public education with

UN support.

TARGET

Outcome 2: Economic Opportunities and Resilient Livelihoods through the creation of an enabling environment that facilitates economic growth and the provision of decent work opportunities, especially for excluded groups such as women.

INDICATOR

99.5km water resources ,irrigation structures, bridges, storage facilities and other infrastructure that have been rehabilitated and/or established in the agriculture and livelihood sectors with UN support

TARGET

5,685 long-term jobs created for decent employment and/or income generation including creation of new jobs, and/or retention of the existing ones in formal organizations with UN support.

% REACH

\$272.2 Million spent through 1,245 local firms for goods and services used in humanitarian response and delivery of basic needs in UN assistance

**INDICATOR** 

105 business associations and chambers, formal and informal, particularly women's business associations strengthened with UN support.

8,405 MSMEs (formal and informal) including startups that received financial support, technical assistance/capacity development, assets, and enhanced access to markets with UN support

43K

282,295 farmers and livestock owners received production inputs, services to enhance agricultural and livestock processing and marketing with UN support.

3,650 loans disbursed to the Afghan private sector (including MSMEs, industries and producers) by financial institutions supported by the UN.

29 assessments, surveys, knowledge products and studies been produced by the UN or with UN support to strengthen evidence-based programming for food and nutrition security, agriculture, decent work, and livelihoods.

Outcome 3: Social Cohesion, Inclusion, Gender Equality, Human Rights, and the Rule of Law -as prerequisites for sustainable development and peace in Afghanistan strengthening civil society engagement and advocacy for alignment of Afghanistan's normative and legal frameworks with international human rights instruments.

INDICATOR INDICATOR TARGET % RFACH TARGET % REACH

17,428 people received legal aid and advice.

**357** reports, data sets, tools, manuals produced on human rights, social norms and non-discrimination.

**3.2 million** people reached through social cohesion and reconciliation activities with UN support.

248 organizations (national NGOs, CSOs and media outlets) received financial and/or capacity building support to advance human rights, gender equality, non-discrimination of women, and media resilience.

2.1 million people reached through advocacy, awareness raising, and behavior change programming on human rights, social norms, non-discrimination, and media with UN support.

627 journalists and media activists employed in different media positions and/or trained in media related skills, norms and standards with UN support.
